

REMARKS

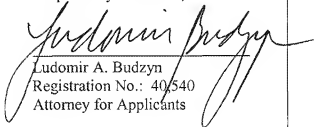

Entry of the Amendment is respectfully requested.

Through this Amendment, Claims 1 and 19 have been amended, while claim 20 has been cancelled. With this Amendment, claims 1-19 are in the application.

In the Office Action, the Examiner rejected claims 1-20 under 35 U.S.C. §102(b) as being allegedly anticipated by U.S. Patent No. 5,385,671 to Talbot et al. At page 4 of the Office Action, the Examiner proposed amendments to claims 1 and 19 and proposed the cancellation of claim 20. As stated in the Office Action, the proposed amendments overcome the rejection over Talbot et al. In accordance with the Examiner's suggestions, the claims have been amended. It is respectfully submitted that as amended the claims are patentable.

Favorable action is earnestly solicited. If there are any questions or if additional information is required, the Examiner is respectfully requested to contact Applicants' attorney at the number listed below.

Respectfully submitted,
